Heart Disease Leading Cause Of Death In Va.

Heart and blood vessel diseases will claim the lives of 21,300 Virginia residents in 1975, it was predicted recently by Dr. Richard Wade, president of the Piedmont Heart Association. Nationwide, an estimated one million will be victims of America's leading cause of death.

"Deaths from heart and blood vessel diseases in this state represent 51% of the 41,400 deaths from all causes," declared the Heart Association spokesman.

"More than 28 million Americans - one in eight - suffer from some type of heart and blood vessel disease. The most common forms," Dr. Wade said, "are heart attack, high blood pressure, stroke, rheumatic heart disease and congenital heart defects."

Estimates for Virginia show that these diseases afflict more than 30,000 persons.

Besides the human loss and suffering caused by these diseases," Dr. Wade added, "they will place a $20 billion burden on the economy this year, including lost wages, hospital and medical care and medication."

Dr. Wade noted that early diagnosis and treatment can reduce the incidence of heart attack and stroke and advised area residents to ask Piedmont Heart Association for information on the early warning signs and risk factors of these two major killers.

In February, designated as American Heart Month, volunteer will visit residents to distribute heart-helping information and collect Heart Fund dollars.

Words Or Wreaths

If you'll give me some attention
while I am living
And not leave it all to give
when I am gone.
It will mean that I'll appreciate
the giving
And thank you when I cannot
later on.

A smile, a word of comfort, is a
pleasure.
And it helps to clear the dark
skies overhead.
And I feel that I will help me in
a measure
For I may not know you did it
when I'm dead.

So let's cheer our friends a little
while they're living.
We can find so much to praise,
if we but try.
One flower of joy that springs
from out such giving
Is worth a million roses when
when they die.-Brought in by
Addie Ould.

New Johnny Cash Film To Be Shown

The story is old, but the perspective is up-dated and brought into sharp focus by the film THE GOSPEL ROAD to be shown on Sunday, Feb. 2, 1975, at Providence Baptist Church, Red House. The showing will begin at 7:30 p.m.

The Gospel Road, distributed by World Wide Pictures, was conceived and produced by Johnny Cash and his wife, June Carter Cash, whose desire was to tell the story of Jesus Christ in a realistic and meaningful way.

The film is a unique blend of scripture-based narrative, an abundant supply of specially written songs, and a series of in-depth character portrayals, with Israel itself as the mixing bowl.

You are there, walking beside the Jordan and the Sea of Galilee; you are there, seeing Him in many human situations that establish a practical and personal rapport with every viewer. You are there, being introduced to the disciples, and gaining insights into their varied personalities. You are there, experienced the highly charged emotional impact of the trial before Pilate, and becoming so personally involved that you feel sympathetic pain when Robert Ellsworth, in an outstanding portrayal of

Christ, suffers the physical attack that precedes the Crucifixion.

Adding to the effectiveness of **The Gospel Road** in its endeavor to convey reality for this day are the fascinating treatment of the Crucifixion, making this tragedy an event of significance that reaches from its own time across the years to take on meaning for all men of all ages; and the songs and background music of Johnny Cash and other outstanding musicians, whose contemporary style is not out of keeping with the story — a story that reveals that His darkest day has become our brightest.

What can you say to the family when a friend or loved one dies? A memorial gift to your local Heart Association is a meaningful tribute that says more than words. It comforts those in grief and helps to reduce the toll of heart attack, the nation's number one killer.

U. D. C. Dinner Meeting Held

H. Gilbert Lusk, Superintendent of the Appomattox Court House National Historical Park, was the guest speaker at a dinner meeting of the Appomattox Chapter, United Daughters of the Confederacy Chapter, Thursday evening at the Parkway Restaurant. Over 40 members and their geusts, including Mrs. Lusk, enjoyed the annual meeting which honors Generals Lee, Jackson and Maury.

Mr. Lusk, realizing that the importance of Lee has often been recognized in the years of the Civil War itself, conveyed in an abbreviated form the great importance of Lee in the years after the war when the nation was trying to reestablish itself.

"Lee could easily have created difficulties throughout the South by personally being vindictive but instead he chose to assume a conciliatory stance, forget the past, and do all he could to reunite the nation," the speaker said.

In closing Mr. Lusk said, "In my view, Lee's positon during this time was crucial and allowed this country to become the nation it is today, despite radical reconstruction."

Mrs. Lena Eversole, president, presided over the meeting.
